Specifications: Specifications were satisfactory.

Delays: N/A

Preferences: State Industrial Products, Graymills and Harms Supply all claimed the US Manufactured preference. Graymills did not bid US Manufactured on the first three line items. Harms Auto Supply claimed the Indiana Small Business Preference. This did not affect the award.

Recommendation Narrative:

Round One

Out of the responding vendors, no one bid on items 5, 9, 34, 38, 42 and 43. These items will be removed from further evaluation. After reviewing all bid packages we decided that it would be in the State's best interest to remove line item 44, for service, as well. A survey went out to State Agencies, most replied back stating they could service their own Parts Washers. State Industrial Products met all required specifications in Round One for the items 1, 2, 3, 4, 30 and 44. State Industrial Products was moved on to Round two. Graymills met all required specifications on the items they bid on in Round one and were moved on to Round two. Harms Supply met all required specifications on the line items they bid on except on line item 3. After checking with the manufacturer, the filter Harms Supply bid fits the 16 gallon drum mount units only. All other items Harms Supply bid on were moved onto Round two. Graymills was low on all items except #19 with Harms Supply being the lowest.

Round Two

State Industrial Products did not respond to the Target Pricing that was sent out. There pricing will remain the same. State Industrial Products only bid on line items 1, 2, 3, 4 and 30. They were the third lowest bidder for these items. Harms Supply was unable to lower their pricing. However because line item three did not meet specifications as stated in Round One, the above listed amount for Harms Supply in Round Two reflects the cost of line item three removed. Harms Supply was the second lowest bidder on the items they bid on. Graymills was the lowest bidder on the items they bid on with exception to line # 19, but still recommend due to only \$176.53 savings. Graymills bid foreign manufactured products on line item 1-3. I am requesting an exception to the US Manufactured Preference as allowed by IC5-22-15-21 (c) (2) due to substantial savings. The total savings for these line items would be \$2,402.00 or 58%. Vendors bid different sizes on line item 1 & 2. I've calculated line item 1 and 2 on one gallon. On line #1 Graymills is \$11.44 per gallon and State Industrial Products is \$35.25 per gallon. On line item #2, Graymills is \$8.58 per gallon and State Industrial Products is \$23.25 per gallon. On line item #3 Graymills is \$50.40 and State Industrial Products is \$108.00. State Industrial Products was the only other vendor to bid on these items. Harms Supply bid on item 3, but did not meet specifications. I recommend awarding Graymills.

Fair & Reasonable Pricing: Pricing is fair and reasonable based on open competition Split Award: N/A

Sole Source: NA

Savings to the State of Indiana through negotiated bidding is \$2,742.70 or 4% of original bid

Award Recommendation: VENDOR Graymills
